

## Plastics Injection Mold Maker

**Business Description:**

Long established company that designs and manufacturers plastics injection molds. They have state of the art product development equipment that allows them to use a design process that's competitive and complete.

**Distribution:**

They have a long established customer base. The quality performance and competitive pricing results in repeat business. .The Company primarily serves the following industries: Medical, Automotive and Industrial. The decline in sales in 2015 and 2016 was caused by a limited marketing and sales program.

**Operational Strengths:**

Well-trained, competent, technically knowledgeable workforce. The company owns the land and building with ample room for growth. They are currently operating at 70% capacity.

**The Transaction:**

The owner has agreed to remain with the company for a period of time to insure a smooth transition.
