

Acquisition Opportunity

UK, England
Security Fencing and Substation Maintenance
Company for Utilities
(Long term revenue stream)

Business Description:

Company is a manufacturer, supplier and installer of a diverse range of products for clients in the Utilities, Commercial and Domestic sectors. Its main business line is security fencing and substation building maintenance for the Utilities sector providing significant long term revenue streams.

Distribution:

The Company also supplies fencing and other timber products, together with a range of UPVC products, for commercial and domestic use.

Operational Strengths:

This Company offers considerable scope for growth, and would be an attractive acquisition opportunity for companies currently operating in the Utilities sector as well as those looking to enter this growing market.
